Sessions are Friday, Saturday and Sunday, except April classes are: Sunday, Monday and Tuesday, so participants may attend the Quilted and Corded Needlework Symposium, in Lincoln, Neb. Call Terry at: 785-865-2587 or cell at 785-691-8796. Email terrythompson@sunflower.com

Terry's FabriCamp's are relaxed, all day sessions in her new studio in Lawrence Kansas. Evenings are free study time, looking thru her historical quilt books, interesting conversations with each other, studying fabric and notebooks with good advice about collecting vintage fabric and photographs for your own study.

What will you see at FabriCamp?

Vintage quilts, tops, and blocks dating from c. 1790-1945. Notebooks of collected cotton and delaine (wool and cotton,) fabrics. Women and children's clothing that help you make the connection between clothing and quilts.

What do classes cost?

In consideration of the cost of fuel and airline travel, I have decided to reduce the cost of FabriCamp 2011. Classes are now \$150 for each 3-day weekend, Friday, Saturday and Sunday.

Terry welcomes quilt shop owners, appraisers, dealers, collectors and anyone who loves old fabrics, quilts and clothes. You are invited to bring your own quilts to share and learn how to date them.

Space allows 6-8 people, and if you have a group that would like to schedule a special session, that will be arranged. Pictures are allowed. Come join in the fun while increasing your knowledge of this great heritage of English and American quilts and fabrics.

After you register for a class you will receive a SIMPLE supply list as well as hotel and transportation information.
